“It is such a big step in the UNI Soccer program to finally have an on-campus field and a locker room of its own! Not only are these facilities important for our current players, but they also give a permanent home to past and future players. With increased visibility and independence, UNI Soccer can recruit more talent and attract new fans.

Go Panthers!”

PANTHER WOMEN'S

The Panther Women's Soccer Club (PWSC) has been established as the support group for the University of Northern Iowa women's soccer program. The two primary goals of the PWSC are to bring UNI soccer supporters closer to the program while providing support for the continued excellence of our outstanding program. The PWSC will link our community and the UNI soccer team and provide an opportunity to our student-athletes to build life-long relationships within the Panther community and the Cedar Valley.

WHY JOIN?

To support the UNI soccer program; to get inside information about the program; and because it will be social and fun!

WHAT WILL THE MONEY BE USED FOR?

Contributions made through the PWSC will enhance the budget of the women's soccer program and be used for needs such as team travel, training needs, maintenance of our game field, which will also have dugouts, wind-screens, and a press box. We have completed phase 1 of our new locker room and are looking to add amenities to continue to make it a great place for the team to gather for meetings or to hang out in their free time. Money raised by the PWSC will be put in the women's soccer fund at the UNI Foundation. Funds raised will be important to keep the program improving. Our goal is to raise over \$20,000!

ARE GIFTS TAX DEDUCTIBLE & IS EMPLOYER MATCHING AVAILABLE?

Yes, all gifts to the PWSC through the UNI Foundation are tax deductible, net of the value of any gifts you choose to receive with your membership. For Employer Match programs, please see your employer for specific information on this.
