

We are so excited for you to be a part of our club as it continues to grow and we can't thank you enough for all your support over the years! This fall we are excited to be celebrating 50 years of UNI Volleyball!! We had a very memorable 2023 with an incredible season on court, in the classroom, as well as many opportunities for growth in so many other ways. We continue to work hard building strong student-athletes and improving our volleyball program. With that comes financial needs and this club is a major component of our fundraising efforts and assists our program in staying competitive with other programs throughout the country.

Funds from the Backrow Club support us by:

- Purchasing needed recruiting, practice and match equipment and software
- Continuing to upgrade travel to assist with reducing missed class time
- Enhance the volleyball student-athlete experience academically, athletically and with personal growth and development.

Whether this is your first year or you've been with us in past years, we thank you for your much-needed support and ongoing commitment and dedication to our program and our student-athletes. **YOU ARE THE DIFFERENCE MAKERS.** The impact you have is immeasurable and will be something they appreciate and take with them.
